10 June - 29 June 2024

### TIMELINE

**Participants Announcement**

- 19 July 2024

**CAMP 1**

- 2 - 4 August 2024

**CAMP 2**

- 9 - 11 August 2024

**CAMP 3**

- 16 - 18 August 2024

### PARTICIPANT REVIEW

"SEA provided comprehensive learning on software development topics, expanded networking and acquired knowledge through mentor-led discussions. The final projects offered valuable team-based experience. Moreover, I was quite impressed during the SEA because the series of COMPFEST activities are large and well-known"

**HENRY SALIM**  
Best Participant of Software Engineering Academy

### BENEFITS

- Opportunities to establish professional relationships, expand networks, and exchange experiences with experienced individuals in the industry.
- Participants are directly mentored by industry experts who have deep experience and extensive knowledge in their fields.
- Participate in live mentoring sessions and gain practical experience that enriches knowledge and skills.
- Develop your portfolio by finishing a final project that addresses real world problems.
- Receive certificate as proof of completion and achievement in joining the Academy.

### REQUIREMENTS

- Participants should be students or the general public in the age range of 17 and 25.
- Participants are required to have an identification card (KTP/SIM/Passport).
- Participants have a strong interest in the field of Software Engineering.
- Participants should have basic knowledge of web or mobile development.
